Pattern Notes:

The outer 10 stitches on either side are worked in the bramble stitch. This stitch is also known as the blackberry or raspberry stitch. The center 4 stitches of each color are worked in a simple knit on the right side and purl on the wrong side, with a cable completed every 12th row. The bramble stitch is worked as follows:

Cast on in multiples of 4+2

1st row: (right side): Purl.

2nd row: K1, *(k1,p1,k1) into next st, p3tog; rep from* to last at, k1.

3rd row: Purl.

4th row: K1, *p3tog, (k1,p1,k1) into next at; rep from * to last st, k1.

Rep these 4 rows.

You may find it easier to keep track of your pattern if you place a stitch marker around the middle 8 cable stitches.

Be sure to keep the bramble pattern consistent as you continue working your rows, placing your cable twist every 12th row. Be sure to twist the yarn as you make color changes to keep gaps from forming. There are many tutorials both written and on YouTube you can look at for guidance.

CO 14 in first color and 14 in second color. Be sure to twist yarn at every color change to keep gaps from forming.
