

Materials Used:

Size 30 crochet thread

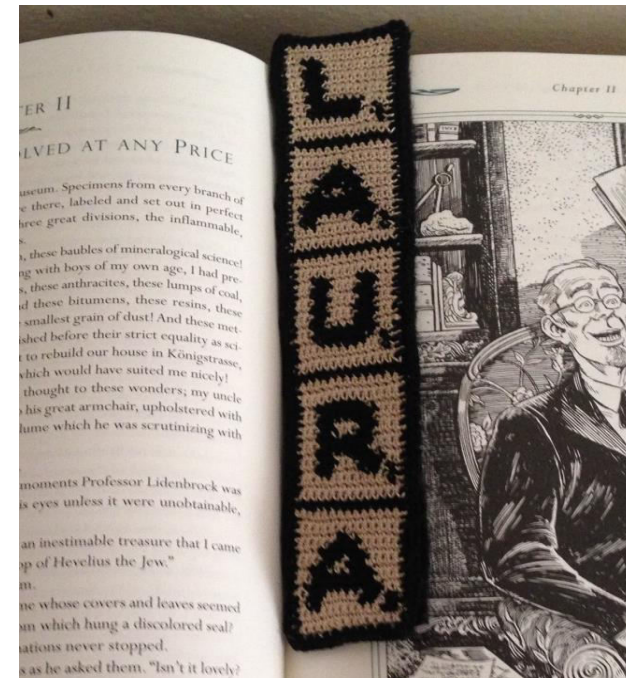

Size 9 steel hook

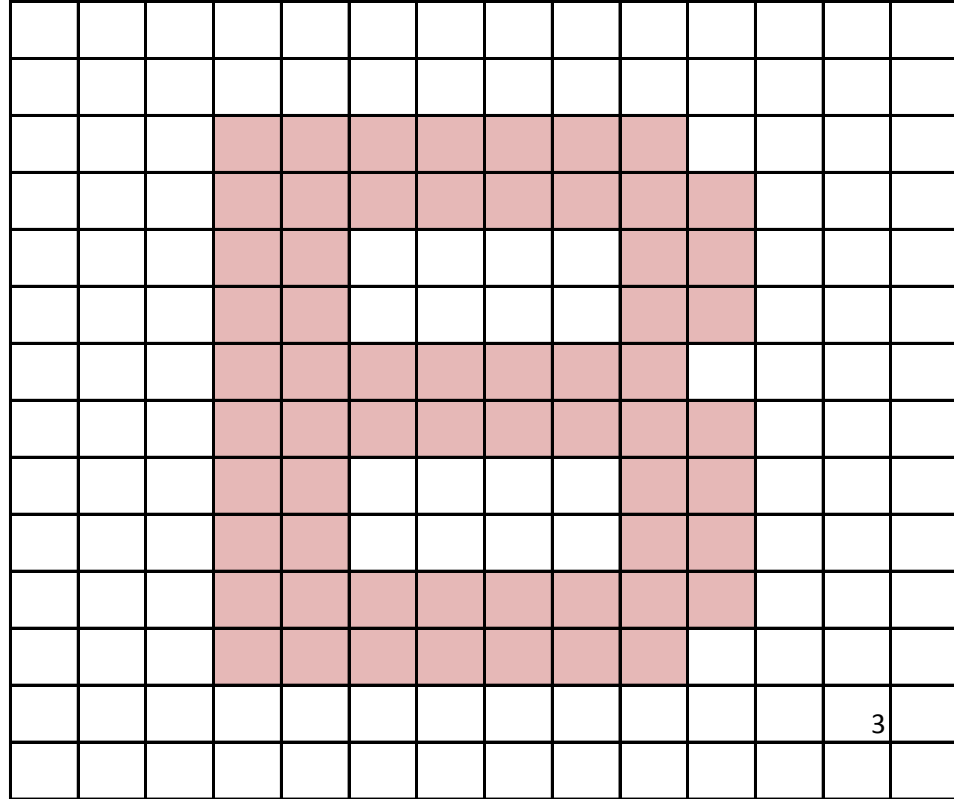

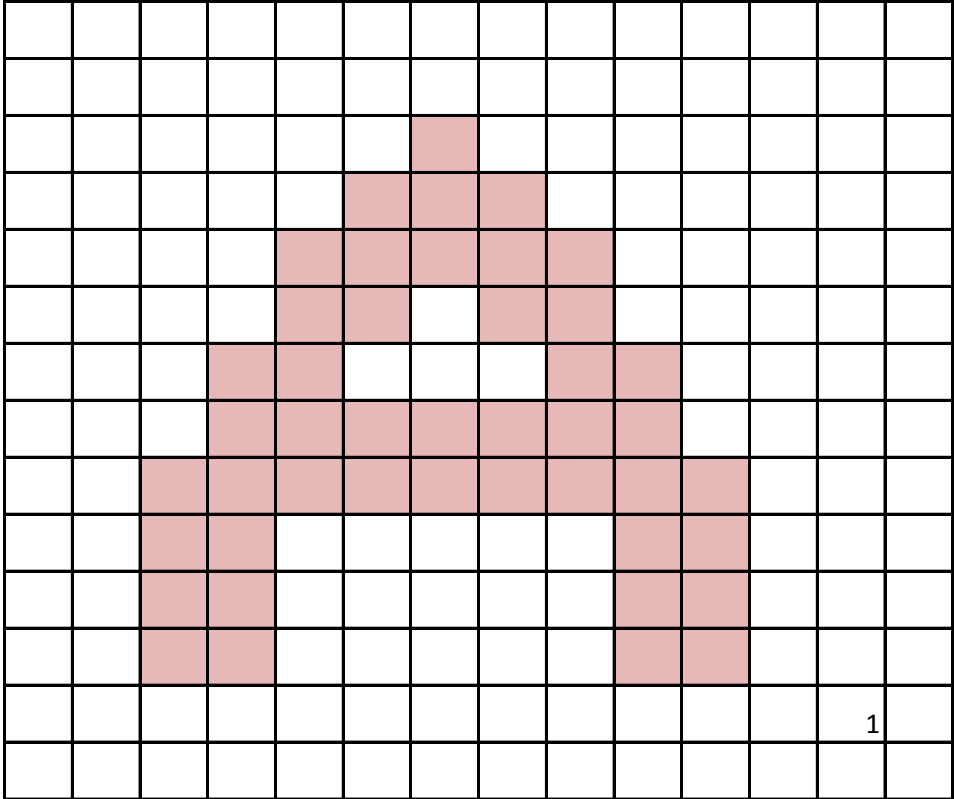

I chose to use thread and a small hook to make a bookmark. If you'd like to use thicker yarn, just be sure to use an appropriate hook size.

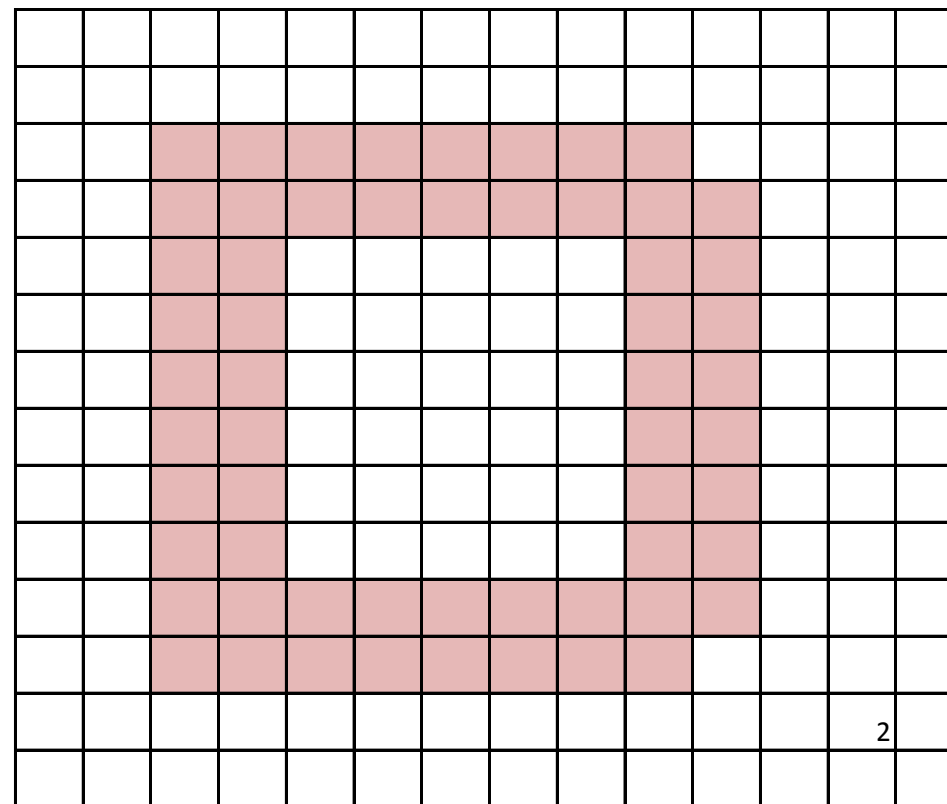

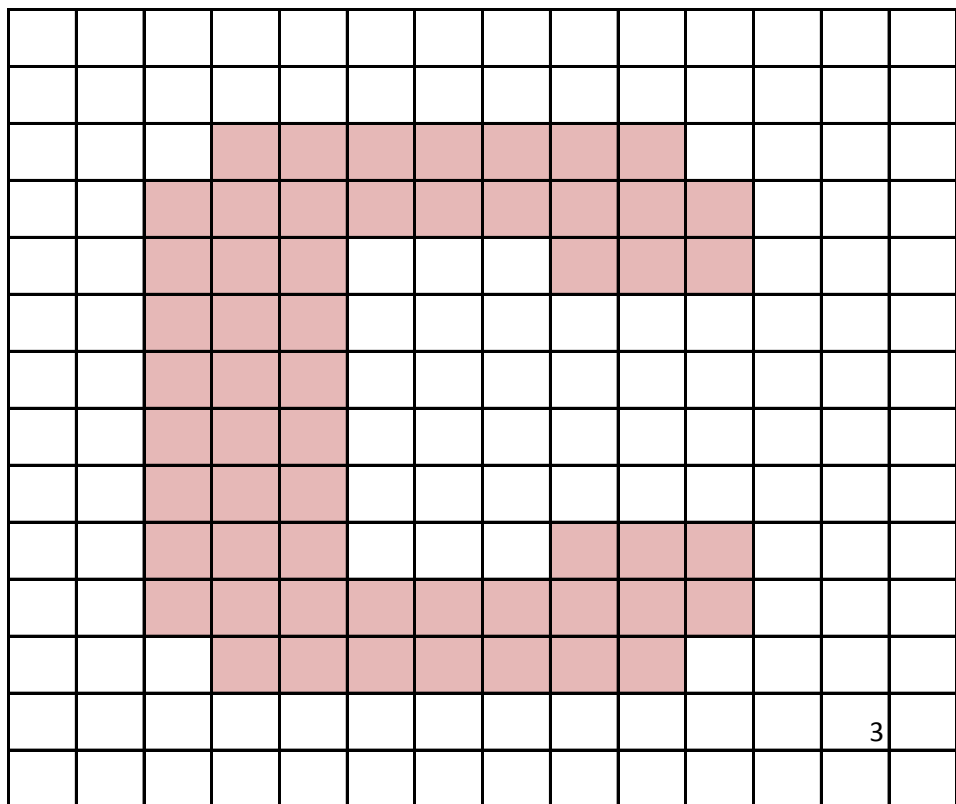

I have included the value of each letter in the bottom right corner. It will be easiest to stitch the value onto a finished tile.

If you need to add one more row on to make each tile more square, I found it best to add a row at the top edge.
